## Reminders

We are looking forward to welcoming SPRING  
and celebrating St. Patrick's Day and  
Easter!

### This month we will..

- Engage in some St. Patty's Day themed activities
- Explore different kinds of weather with science experiments
- Learn about creepy, crawly, and amazing insects.
- Walk with Jesus on his path during Lent by doing good deeds at home and at school.
- Celebrate Easter with our classmates with a prayer service and an egg hunt

## Learning Focus

•**Literacy** - Insects that crawl, hop, and fly, and  
Spiders, scorpions and worms

**Letters** - I, R, T, and S

•**Religion** – God Made Little Things, Water,  
Weather, and Easter

•**Math** – Separating Quantities, two parts make  
a whole, and comparisons

Thank you for the gift of your child. We are looking forward to a  
fun-filled month exploring and learning together!!
