- 4/21- Color Run
  - 4/26 Grandparents Day

## REMINDERS

## JUST A NOTE

I hope everyone had a nice long weekend!

## WHAT WE'RE LEARNING

This week, the children will learn all about reptiles! We will learn they are a special kind of animal that breathes air, has a backbone, and has scales or a shell. Our religion theme is, God Made Land. We will learn about land and some of its features. We will also think about how we can care for our Earth. The letter this week is N. In math, we will begin to visualize sets of five.
