APRIL

CLASSROOM NEWS

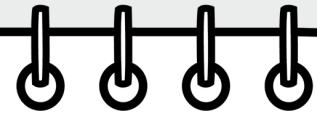

Many supplies have seemed to either go missing or have been used up- especially pencils, glue sticks, and dry erase markers. Please make sure pencil cases are fully stocked with all necessary supplies needed for class! ☺

Since we are now in the 3rd trimester, studying is super important as the content continues to get more challenging. All students have access to their own Quizlet account, and it is a great tool to use to study! IXL is also a great resource to practice a multitude of skills. This can be accessed on the iPad at any time and for any subject!

Don't forget the Read to Win slips! An important piece of "homework" every night is to read for 30 minutes!

REMINDERS

Return signed permission slip for our field trip to the zoo by Friday, April 26th.
